HEADLINE NEWS

A NOTE FROM THE PRESIDENT

Well, we're halfway through the year and things couldn't be better. The weather didn't want to cooperate at first, but Tournament Chairman, Jim Tapley, did a great job of re-scheduling so that we didn't miss an event.

The month of June brings us FATHER'S DAY, and on the same weekend, the U.S.OPEN, at Pebble Beach...Whereas us locals will be looking forward to the PGA (Primm Golf Adventure), Monday, the 14th to Wednesday, the 16th. If you aren't signed-up yet, contact Phil Washum immediately or you might be too late.

THANK YOU to Jim and Phil for all you and the other officers do for this Club.

HAROLD

BAD NEWS & GOOD NEWS

I wasn't there personally (or it might have been worse), but from what I am told, the bad news is CMGC ate our lunch on the California Oaks golf course by a score of 14 to 11 at the tournament held on May 17th. The good news is that after the matches, MMGC members proceeded to eat CMGC's lunch... in the restaurant adjacent to the pro shop at the course. So in the end, things basically equaled out.

"D" FLIGHT PLAYERS SEEING RED

The MMGC Board has decided to have "D" Flight players play from the forward tees (which are normally the red tees at most courses) beginning with the May 27th tournament at Trilogy.

A JOKE FROM THE PRESIDENT

Every golfer should own 2 sets of clubs: the latest graphite shafted titanium's for himself, and a set of old steel shafted K-Mart Specials for his brother-in-law, when he comes to visit.

(This is an actual Whitford original!)

TRASH TALK

James was playing a round of golf with the club pro one day and after the 18 holes they went into the clubhouse.

James asked the pro; "What do you think of my game?"

The pro replied; "You should shorten your clubs by about six inches."

James asked; "How will that help my game? That sounds like too big an adjustment."

The pro replied; "It won't help your game, but it will help them fit in your trash can!"
